

TciNew domain model

The diagram illustrates the TciNew domain model, showing various entities and their relationships. The entities are defined as follows:

- Testimonial**: content text*, logo string, title string*
- Tag**: name string, taggings_count integer*
- StudentGallery**: course string*, creator string*, image_content_type string, image_file_name string, image_file_size integer, image_updated_at datetime
- Settings**: key string, method string, other string, value string
- Partner**: description text*, logo string*, name string*, url string
- Instructor**: activation_code string (8), address_country string (2)*, address_locality string*, address_postal_code string (20)*, address_region string*, address_street string*, email string (320)* U, family_name string*, given_name string*, hidden boolean, instructor_photo_content_type string, instructor_photo_file_name string, instructor_photo_file_size integer, instructor_photo_updated_at datetime, last_seen_at datetime, mentor boolean, meta_description text, meta_keywords text, password_hash string (64)*, password_salt string (64)*, phone_mobile string (50), phone_voice string (50), photo_content_type string, photo_file_name string, photo_file_size integer, photo_updated_at datetime, profile text (16777215), role string (1)*, status string (15)*, temporary_password string, temporary_password_expires_at datetime, time_zone string (30)*, uid string, vimeo_video_id string*, youtube_video_id string*
- ExchangeRate**: base_currency string (3)*, counter_currency string (3)* U, rate decimal (10,4)*
- Enquiry**: email string*, message text, name string*, phone_number string
- BlogPost**: title string (1024), url string (1024)
- BannerImage**: image_content_type string, image_file_name string, image_file_size integer, image_updated_at datetime
- CourseType**: course_page_description text, course_page_title string, homepage_description string, number integer, title string*
- ActiveRecord::SchemaMigration**: version string*
- Package**: deleted_at datetime, description text (16777215), page_title string, photo_content_type string, photo_file_name string, photo_file_size integer, photo_updated_at datetime, price_currency string (3)*, price_in_cents integer*, summary text, title string*
- PackageCourse**
- PackagePurchase**: gateway string (50)*, notification_received_at datetime, price_currency string (3)*, price_in_cents integer*, raw_params text, reference string, status string*, student_user_id integer*
- Purchase**: gateway string (50)*, notification_received_at datetime, payment_id string, price_currency string (3)*, price_in_cents integer*, raw_params text, reference string, status string*, student_user_id integer*
- Enrolment**: deleted_at datetime, duration integer, end_date datetime, fees_decimal (10,2)*, parent_enrollment_id integer, parent_id integer, student_user_id integer*, unsubscribe boolean
- ScheduledCourse**: deleted_at datetime, duration integer, system boolean*
- Workshop**: deleted_at datetime, deposit_price_currency string (3)*, deposit_price_in_cents integer*, description text (16777215), enrolment text, full_price_currency string (3)*, full_price_in_cents integer*, page_title string, photo_1_content_type string, photo_1_file_name string, photo_1_file_size integer, photo_1_updated_at datetime, photo_2_content_type string, photo_2_file_name string, photo_2_file_size integer, photo_2_updated_at datetime, photo_3_content_type string, photo_3_file_name string, photo_3_file_size integer, photo_3_updated_at datetime, photo_4_content_type string, photo_4_file_name string, photo_4_file_size integer, photo_4_updated_at datetime, photo_5_content_type string, photo_5_file_name string, photo_5_file_size integer, photo_5_updated_at datetime, photo_6_content_type string, photo_6_file_name string, photo_6_file_size integer, photo_6_updated_at datetime, summary text, terms text, title string*, upcoming text, vimeo_video_id string, visible boolean, youtube_video_id string
- User**: activation_code string (8), address_country string (2)*, address_locality string*, address_postal_code string (20)*, address_region string*, address_street string*, email string (320)* U, family_name string*, given_name string*, hidden boolean, instructor_photo_content_type string, instructor_photo_file_name string, instructor_photo_file_size integer, instructor_photo_updated_at datetime, last_seen_at datetime, mentor boolean, meta_description text, meta_keywords text, password_hash string (64)*, password_salt string (64)*, phone_mobile string (50), phone_voice string (50), photo_content_type string, photo_file_name string, photo_file_size integer, photo_updated_at datetime, profile text (16777215), role string (1)*, status string (15)*, temporary_password string, temporary_password_expires_at datetime, time_zone string (30)*, uid string, vimeo_video_id string*, youtube_video_id string*
- Course**: available boolean*, category_1 boolean, category_2 boolean, category_3 boolean, category_4 boolean, category_5 boolean, deduction integer (10,0)*, deleted_at datetime, description text (16777215)*, frequency integer (2)*, hidden boolean, hide_dates boolean, instant_access boolean, meta_description text, meta_keywords text, page_title string, photo_content_type string, photo_file_name string, photo_file_size integer, photo_updated_at datetime, portfolio_review boolean, price_currency string (3)*, price_in_cents integer*, starts_on datetime, summary text, title string*, vimeo_video_id string, youtube_video_id string
- Renewal**: amount integer, deleted_at datetime, duration integer*, price_currency string (3)*, price_in_cents integer*
- Review**: content text*, deleted_at datetime, student_user_id integer*
- Instructorship**: instructor_user_id integer* U
- Lesson**: deleted_at datetime, description text (16777215), duration integer (2)*, photo_content_type string, photo_file_name string, photo_file_size integer, photo_updated_at datetime, position integer* U, summary text, title string*
- Assignment**: deleted_at datetime, description text (16777215), duration integer (2)*, starts_after integer (2)*, summary text, title string*
- Rearrangement**: deleted_at datetime, summary text, title string*
- ScheduledLesson**: deleted_at datetime, ends_on date*, starts_on date*, student_user_id integer
- ScheduledAssignment**: deleted_at datetime, ends_on date*, starts_on date*
- AssignmentSubmission**: completed boolean*, deleted_at datetime, description text (16777215), rearrangement text, summary text, title string*
- Attachment**: asset_content_type string, asset_file_name string, asset_file_size integer, asset_orientation string (9), asset_updated_at datetime, attachable_type string*, deleted_at datetime, description text (16777215), meta_data text, owner_user_id integer*, position integer*, status string (1)*, title string, vimeo_video_id string, youtube_video_id string
- ForumTopic**: content text (16777215)*, deleted_at datetime, discussable_type string, posts_count integer*, publish_on datetime*, title string*
- ForumTopicUser**: deleted_at datetime
- ForumPost**: content text (16777215)*, deleted_at datetime
- Critique**: comment text (16777215)*, critiqueable_type string*, deleted_at datetime, original_sequence string, rearrangement_sequence string

The diagram shows the following relationships:

- User** is associated with **Package**, **PackagePurchase**, **Purchase**, **Enrolment**, **ScheduledCourse**, **Course**, **Renewal**, **Review**, **Instructorship**, **Lesson**, **Assignment**, **ScheduledLesson**, **ScheduledAssignment**, **AssignmentSubmission**, **Attachment**, **ForumTopic**, **ForumTopicUser**, **ForumPost**, and **Critique**.
- Package** is associated with **PackageCourse**, **PackagePurchase**, **Purchase**, **Enrolment**, **ScheduledCourse**, **Course**, **Renewal**, **Review**, **Instructorship**, **Lesson**, **Assignment**, **ScheduledLesson**, **ScheduledAssignment**, **AssignmentSubmission**, **Attachment**, **ForumTopic**, **ForumTopicUser**, **ForumPost**, and **Critique**.
- PackagePurchase** is associated with **Purchase**, **Enrolment**, **ScheduledCourse**, **Course**, **Renewal**, **Review**, **Instructorship**, **Lesson**, **Assignment**, **ScheduledLesson**, **ScheduledAssignment**, **AssignmentSubmission**, **Attachment**, **ForumTopic**, **ForumTopicUser**, **ForumPost**, and **Critique**.
